<b>D011-D017</b>	1.5 " Decorative Grid Strainers
<b>D101-D720</b>	1.5 " Decorative Drains

### INSTALLATION

**DROP-IN:** Cut opening large enough for the sink to be "dropped in" to countertop.

**UNDERMOUNT:** Use the actual sink for templating. Cuts in countertop are up to the discretion of the installer. Clips or other installation method must be provided by the fabricator/installer. Use silicone adhesive to adhere sink to countertop. Clean any excess silicone from sink surface to avoid damaging the finish.

### CARE

This sink has a living finish (excluding SS/PS) which will change with time and use. Use mild soap and water for everyday cleaning. Avoid any harsh abrasives, acidic cleaning products and antibacterial hand soap. A paste wax may be applied periodically to protect the finish and help with water spotting.

### WARRANTY

Linkasink warranties our product to be free from manufacturing defect for the life of the product. Warranty does not cover improper care, neglect, abuse, or normal wear-and-tear.

### DIMENSIONS WILL VARY

**DO NOT** use this sheet as a guide for countertop cuts. Due to the handmade nature of each product, templates are not provided
