D004	Grid Strainer	Drain flange will be permanently grouted into place. The tail piece and other drain parts are shipped with sink.
D005	Lift & Turn	
D006	Pop-up w/ lift rod	
D011-D017	Decorative Grid Strainers	
D101-D720	Decorative Drains	

INSTALLATION

DROP-IN: Cut opening large enough for the sink to be "dropped in" to countertop.

UNDERMOUNT: Cuts in countertop are up to the discretion of the installer. Clips or other installation method must be provided by the fabricator/installer.

Use 100% silicone adhesive to adhere sink to countertop.

CARE

Use mild soap and water for everyday cleaning. Avoid any harsh abrasives and chemicals or acidic cleaning products. May use a grout/tile sealer 1-2 times per year to maintain mosaic.

NOTE: The rim has a living finish which will change with time and use. A paste wax may be applied periodically to protect the finish and help with water spotting.

WARRANTY

Linkasink warranties our product to be free from manufacturing defect for the life of the product. Warranty does not cover improper care, neglect or abuse.
